Commissioner for Patents

PO Box 1450

Alexandria, VA 22313-1450

Sir:

**REQUEST TO RECAPTURE THE INFORMATION AND SUBMISSION OF A
SUPPLEMENTAL APPLICATION DATA SHEET**

On April 30, 2004 Applicants filed a Reissue Patent Application in the above-identified matter. The Application Data Sheet as filed inadvertently excluded a fourth inventor, Yuqi Cai, however the Oath and Declaration filed simultaneously therewith included the fourth inventor thereby resulting in an inconsistency between the two documents.

Pursuant to 37 CFR 1.76(d)(3), the oath or declaration governs inconsistencies with the application data sheet in the naming of inventors and setting forth their citizenship, however the application data sheet must be corrected.

Accordingly, Applicants respectfully request that the Office recapture the information as detailed in the Supplemental Application Data Sheet submitted herewith having all four inventors properly indicated.

Applicants do not believe that any fee is due in accordance with the filing of this Request to Recapture. However, should there be a fee due that is unaccounted for the Commissioner is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 04-1928 (E. I. du Pont de Nemours and Company). A duplicate copy of this pleading is enclosed

Respectfully submitted,
